The Scholarship of Writing in Nursing Education (Lapum et al.)

This open access textbook is intended to guide best practices in the journey of scholarly writing in the context of the nursing profession. This resource is designed for students in undergraduate nursing programs and may also be useful for students in other health-related post-secondary programs, graduate students, and healthcare providers. The project is supported and funded by the Ryerson University Library OER Grant.

Front Matter

1: Introduction
2: Reading and Comprehension

3: Information Literacy

4: Types of Writing
