1.4: Optional Resources

**Healthy Aging: A Lifelong Guide to Your Well-Being**

*Andrew Weil, MD. Anchor Books, 2005.*

Drawing on the new science of bio-gerontology (the biology of aging) as well as on the secrets of healthy longevity — diet, activity and attitude — Dr. Weil explains that there are a myriad of things we can do to keep our bodies and minds in good working order through all phases of life.
